Dear Andre
Huge Connect

Re: Recent donation and support of the Wi-Fi and internet connection to Khayaletu Youth Centre

We would like to take this opportunity to thank you for your continual support of Wi-Fi and internet support. We are tremendously thankful for this support as all of our communication is done via e-mails and internet. We can also report that we have less problems with connectivity since Huge Connect started sponsoring our Wi-Fi and internet. We really do appreciate everything you are doing for Khayaletu.

As the new term starts Khayaletu also started off with a full plate of events. The past weekend Estian was taking part in the Corporate Ironman Event for his school and their team ended 4th overall. After that we had 9 boys part taking in the Spur Iron kids event. On Sunday you would have find us next to the Seaview road cheering and hooting for the brave athletes competing and raising funds for the Ironman 4 the Kidz Charity. During this event the boys get the opportunity interact with some of the athletes.

We currently have one boy enrolled in the Oliver House programme. For the next three months Joseph is helping around on the Khayaletu property, before he will enter the next phase of the program.

Once again thank you for everything you do for Khayaletu. It means a lot to our boys when people from the community show an interest in them by lending a supporting hand. It is a great encouragement to our staff as well in helping us to care for the boys.

We would also like to assure you that the Black Beneficiary percentage of ACVV Port Elizabeth Sentraal KHAYALETHU YOUTH CENTRE is 100%.

Kind regards,

Director Khayaletu ACVV Youth Centre & Oliver House
