**APPRECIATION LETTER**

As Kingdom Life Children Centre would like to extend our sincere gratitude for your internet support for our organization. With your assistance, we were able to save a fortune on the internet bills and communicate effectively.

With your best internet support, we were able to communicate with our donors, sponsors, reply to emails much quicker, download files, upload file and help our beneficiary with their school research. We are proud to say that all our learners have been promoted to the next level, all thanks to you.\

Wishing that the new year will bring joy, love, peace, and happiness to you. We hope this year will bring warmth of love and positivity in your life. We value your on going support and sponsorship and forward to a prosperous future together.

With great appreciation

Your Truly,

KINGDOM LIFE CHILDREN CENTRE "A home where a new life begins" N.S. MAGOBA DIRECTOR 079 637 9944
